ABOUT US

Specialized in shower screen design, manufacture and wholesale, Covey offers our customers a wide selection of high-end shower screens. Starting from early 2000s, we have built partnership with our customers to bring quality and elegant shower screen products to households around the world.

At Covey Australia, while keeping pace with advanced technologies, we choose only the finest grade material for production to ensure what we offer stands the test of the time.

With 20 years of expertise in design, manufacture and service, as well as ample production capacity. Besides Sydney Australia, we also have branches in:

Los Angeles, USA

New York, USA

Toronto, Canada

Auckland, New Zealand

A highly-efficient and well-organized facility with a design team of experience and dedication is ready to offer solutions of your shower screen projects, whether standard or custom-made.

Covey Australia is committed to supplying products that makes life better. We hope what we offer contributes to an amazing shower experience for your customer, for you and for your family.
